and C-IED COI Projects

Ref: (a) Contract N00178-04-D-4143-FG01

1. General. This TI constitutes direction to the contractor by the EOD Technology Division in accordance with section B and line items 1100 and 3100 of reference (a). This TI falls within the scope of work of paragraph 4.5.4. In issuing this TI, it is the understanding of the EOD Technology Division that the directed efforts are within the scope of the contract. Should the contractor feel that full compliance with this TI is outside the scope of the contract, the contractor is to notify the TOM and the contracting officer by official correspondence within ten (10) working days after receipt of this TI. In such case, the contractor is to take no further action with regard to this TI until notified by the contracting officer that the TI is within the scope of the contract.

2. Statement of Work. Efforts under this TI will be in accordance with Section C of reference (a).

3. Level of Effort. The original TI EODTD-0037 total value \$468,774.00 will decrease in the amount of \$85,692.00, due to a billet no longer required. The new Total Ceiling and Value of TI EODTD-0037 is \$383,082.00.

4. Technical Direction. Technical Direction of the work described under this TI is assigned to J. S. Humbert, EODTD Code 052.

5. Period of Performance. This TI is effective from date of award through 18 January 2010.
